### Last-minute tax filing: Follow this checklist to avoid errors, oversights

"If an individual left her job in the middle of the financial year, she would require two Form 16s from her employers. If she does not have one, she should contact her previous employer and get it to avoid submitting a long list of documents. Once you have Form 16s from both your employers, create a revised statement of income and tax liability to ensure accurate tax computation,"

### Law students file PIL against physical exams by IP university; HC seeks govt's stand

The PIL has contended that a blanket notification forcing all students to give exams through physical mode causes immense duress to the mental health of the students and is violative of their Right to Life.

"The changing nature of notifications and the short time span between exams has made it burdensome for the petitioners (students) to manage studies, online classes, distanced learning, internal exams of previous semester followed by internal exams of current semester clashing with current semester classes followed by physical examinations within a week,"

### Beyond the startup hype: The hidden costs of a hustle culture

*In India, women are more likely to have or develop a mental health issue than men, as per Aon's report on mental health.*

By INDRANI BOSE | Jul 23, 2025 10:34 AM

"Victims of sexual harassment under the POSH Act face significant barriers when reporting incidents, due to a lack of knowledge on processes, as well as concerns about confidentiality and potential retaliation from perpetrators or colleagues and cultural stigmas which can lead to feelings of shame and embarrassment, further discouraging victims from coming forward."
